You Advance Their Work. We Advance Your Business.

Why Exhibit at IMS2026?

IMS2026 is the premier event in the RF and microwave industry. Thousands of industry professionals from around the world gather here to connect, see the latest technology advancements, and discover cutting-edge theories, tools, and techniques. **IMS2026 kicks off with the RF Integrated Circuits (RFIC) Symposium, then introduces two new symposia formed out of traditional IMS technical content, the RF Technology & Techniques (RFTT) Symposium and the RF Systems & Applications (RFSa) Symposium, before concluding the week with the ARFTG Microwave Measurement Conference.** We're anticipating a broader reach with attendees from various industries, giving your sales team unmatched face-to-face opportunities with top decision-makers.

Reach Your Sales Goals!

Booth Pricing and Details

Pricing Info:

Exhibit space is \$4,600 per 10' x 10' booth (additional \$460 fee for each corner).

What's Included:

For in-line booths only: 8' high-back wall drape, 3' high-side rails, and an identification sign with the exhibitor's name and booth number are included.

Booths do not include carpet, utilities, furnishings, and other accessories. These items may be rented through the official show decorator. All exhibitors are required to have a floor covering for their full exhibit space.

Sponsorship Details Coming Soon!

Increase your exposure and position your company as an industry leader by becoming an IMS2026 sponsor. Details on specific opportunities will be available soon. In the meantime, contact us to set up a custom package and help us shape the 2026 event.

Calling All Startups

The StartUp Pavilion at IMS2026 is where ideas meet opportunity. Get direct access to investors, potential customers, and government program managers when you book a kiosk in this space focused on groundbreaking RF and microwave products and services.

The first 10 qualifying startup companies will have access to an easy turnkey opportunity at a reduced rate that comes with:

- A kiosk with monitor, built-in signage, and a stool
- Electrical (10 amp)
- Signage that identifies your company as a participant
- 3 IMS2026 exhibitor staff badges
- 3 discounted IMS2026 conference passes

Opportunities for Universities and Government Labs

Showcase your research with a complimentary exhibit at IMS2026. You'll get a tabletop, 2 chairs, a bulletin board, and carpet.
