Please follow these guidelines when creating your display:

- *Additional tables or other furnishings and items beyond those provided are not permitted.*
- *No signage may interfere with, obscure, or block the view of another table. You may not construct a backwall, set up equipment, or display materials other than on the table. No display materials or signs may be placed on the floor.*
- *All participants are expected to staff their kiosk for all hours of the Exhibition.*
- *Any demonstrations must take place within your own space.*
