

## FOR IMMEDIATE RELEASE

### Meet Artech House Author and Acquisitions Editor at IMS 2025

**Norwood, MA, June 4<sup>th</sup>** - Artech House is excited to announce its participation in the International Microwave Symposium (IMS) 2025 at Moscone Center, in San Francisco, CA. This year's IMS promises to be one of the most exciting yet, bringing together the brightest minds and leading experts in the field of microwave technology.

Join us at **Booth #931** for a special **book signing event** with **IEEE Fellow Frederick H. "Fritz" Raab**, author of the acclaimed Artech House title *RF and Microwave Power Amplifiers*.

Dr. Raab will be available to meet attendees, answer questions, and sign copies of his book on **Wednesday, June 18th, from 3:10 PM to 5:00 PM PDT**.

### How to Get Your Copy Signed:

- **Pre-order** your copy of *RF and Microwave Power Amplifiers* or other RF, Microwave, and Radar titles by completing this form: <https://forms.office.com/r/EQm0tywNFC> before **June 16th**. Limited quantities will be available for pickup at the event.
- **Buy now** and bring your copy to the booth! Use promo code **RAAB20** at checkout for **20% off**.

In addition, **Peter Froehlich**, Senior Acquisitions Editor at Artech House, will be present to discuss new book ideas, receive proposals, and engage with attendees about the future of publishing in the microwave and radar fields.

During IMS, Artech House will also showcase a wide range of titles covering the latest hot topics in microwave and radar technology.
