

ANATECH ELECTRONICS INC
RF & Microwave Filters & Products
AN ISO 9001:2008 CERTIFIED COMPANY

Anatech Electronics, Inc. is pleased to announce that we will be exhibiting at the 2026 IEEE International MTT Symposia (IMS), taking place **June 9 - 11, 2026**, at the Thomas M. Menino Convention & Exhibition Center in Boston, MA.

We invite you to visit our **booth #12091** to discuss your current and upcoming RF and microwave requirements. Our team will be available to review specifications, provide technical guidance, and explore custom solutions tailored to your application.

✓ Have a Current Requirement?

Enter your requirements in our form 🖱️ **Specs Matched RF Filters - Products**. We'll identify the closest match from our standard product library or work with you to develop a custom solution tailored to your needs.

✉️ Need Assistance or have Technical Questions?

Please send us an Email at **Technical@anatechelectronics.com**. We will be happy to discuss your project during the Symposium.

Whether you need a standard solution or a fully custom design, we are ready to support your project with high-performance, reliable products.

As an official exhibitor, Anatech Electronics is offering complimentary exhibit hall passes so you can:

Discover cutting-edge RF & microwave filter technologies

Get expert guidance on your most challenging designs

Explore customized solutions built to your specifications

No cost. No obligation. Just innovation.

 Claim your free pass today: [Click Here](#)

Please enter code 595IMS26 on the attendee registration site under "Exhibit Invite Code" for your complimentary exhibits only registration pass.

We look forward to connecting with you in Boston.

Best regards,

Anatech Electronics, Inc.

RF & Microwave Filter Solutions Since 1990
